"A Batman who laughs is a Batman who always wins."

Left rattled by the events of DARK NIGHTS: METAL, Bruce Wayne must come face to face with the nightmares spawned from the Dark Multiverse. But even though evil devoured evil in the collapse of Challengers Mountain, the Dark Knight still has his doubts. He discovers that the Batman Who Laughs not only survived the fight with The Joker at the end of METAL, but now he is enacting a sinister plan across the Multiverse–something both terrifying and oddly familiar. But when Bruce Wayne realizes the only way to stop this madman is to kill him, he must consider violating the very rule Batman won't break...the same rule that created this insatiable villain–the Batman Who Laughs!

SASQUATCH DETECTIVE #1

written by
BRANDEE STILWELL

art by
RON RANDALL and GUS VAZQUEZ

cover by
BEN CALDWELL

Before Tonya Lightfoot became Los Angeles' most decorated detective, she was a wee sasquatch roaming the Appalachian mountains, fed a steady diet of tennis and golf (as both of her parents are pros at the local country club) and *CSI* episodes. But her idyllic life of pranking campers and squatching around the local golf course hits a bump in the fire road when Bigfoot hunters come to the dense forest. Would Tonya back down in the face of adversity? Not yeti! But experiencing this abominable anti-sasquatch sentiment gives her the determination to leave her home behind–she heads to the dangers of the city. After all, it's hard to fight unconscious bias, but crime is something America's sassiest sasquatch is ready to tackle.

This special features a new 30-page lead story plus the backup stories from EXIT STAGE LEFT: THE SNAGGLEPUSS CHRONICLES #2-6.
